CAREER SUMMARY

Engineering student passionate about cybersecurity. Quick learner with a knack for risk-taking and seizing opportunities. Pursuing a degree in computer science with a specialization in information and technology while immersing in the dynamic world of cyber tech. Skilled in Security Information and Event Management (SIEM). Committed to enhancing cybersecurity measures and contributing innovative solutions. Excited about shaping the future of digital security. Eager to leverage my academic background and skills to make impactful contributions.

SKILLS AND STRENGTHS

- **Linux**
- **Bash scripting**
- **Python**
- **Java**
- **SQL**
- **Multi-tasking**

PROJECTS

- **Railway Management Project using Java**
  Explored object-oriented programming concepts.

- **Pixel Manipulation using Python**
  Worked with the PIL library for image processing.

- **Packet Sniffer using Python**
  Utilized the Scapy library for network packet analysis.

WORK HISTORY

CFSS, Penetration Intern
Remote, Internship
22 March 2024 - 22 April 2024

ShadowFox, Cybersecurity Intern
Remote, Internship
15 April 2024 - 15 May 2024

EDUCATION

Bachelor of Technology in Computer Science Engineering with Specialization in Information & Cyber Security
2022-2026
Sambalpur University Institute of Information Technology, Jyotivihar, Burla, Sambalpur, Odisha, 768019

CERTIFICATIONS

- **Google Cybersecurity Specialization**

- **Chronicle SIEM Fundamentals**

- **Penetration Testing, Incident Response and Forensics**

- **Practical Web Application Security and Testing**
